

Home Learning

We are very proud of the home learning which has been taking place over the last few weeks. The quality of work which teachers have been setting and the feedback/interaction which the children receive will continue for **all** year groups. We are acutely aware that years 2-5 will be continuing to work at home alongside those children in R, 1 and 6 who remain at home. All staff will have dedicated time each week to update our learning platforms and continue to support all children.

Special Mention for Heejune and George

It seems we have some very talented writers at Badger Hill as Heejune and George have been published on the Premier League Primary Stars Website. A huge well done to both boys. They both completed a story challenge which was intended to cheer people up! Heejune wrote a story about meeting Harry Kane and George story included Steven Gerrard (one of my favourite football players!)
