Dear Parents/Carers,

As you are aware schools may reopen on the 1st June for Reception, Y1 and Y6. We wanted to reassure children and parents who are not in these year groups what things will look like for them in the coming weeks.

Currently we are running successful home learning for all year groups using google classroom, class dojo and tapestry. This has allowed us to offer all children a range of learning activities and feedback from their class teachers.

This is something which we intend to continue for children who are not in Reception, Y1 or Y6 or have decided not to return to school on June 1st. Home learning will continue to be of a high standard across all year groups and will where possible mirror any learning taking place in the classroom.

Staff will have dedicated time to maintain the home learning platforms as well as provide feedback to children. As part of Pathfinder Trust we will have some agreed expectations around home learning to ensure that the high quality is maintained.

We would encourage children to interact with the home learning as it can provide structure to their day as well as offering a valuable way to communicate with their peers and class teacher.

Staff will also be maintaining regular contact with families via telephone. This will happen at least once every two weeks.

Myself, Mrs Goddard and Mrs Ross will also be on hand to offer pastoral support to all children.

Please do not hesitate to contact school should you have any questions regarding home learning. Please contact the school office via email or telephone.

Kind Regards,

Mrs Whittingham
