

Weekly Newsletter-22.6.20

Dear Parents/Carers,

Another busy week in school with lots of different activities both in and out of school. It has been fantastic to see the numbers of children returning to school continuing to grow. As always it has been testament to how staff and parents have worked together to accommodate an increase in numbers. Hopefully the sun stays out this week and children are able to access the outside of school a lot more. Our grounds are beginning to take shape with the area by the MUGA being turfed this week. I would like to take this opportunity to thank parents/carers once again for ongoing patience and support.

Communication

The school office is now open between the hours 8.30 and 3.30 and the telephone will be answered during these hours. However we are discouraging parents to enter the school building so if you should need to speak to us then we would still encourage you to telephone or email. If you do wish to speak to as staff member face to face then we would arrange a socially distancing appointment.

You should all have received a letter updating and refreshing you with our home learning offer. This will hopefully explain what each year group are offering. We completely understand that home learning may look different for every family but it is important as we reach over 60 days/13 weeks out of school for some children that every child accesses some home learning! Staff are more than happy to answer any questions that you may have. Watch this space for further info on 'google meet' for KS2.

Online Safety Reminder

We are really impressed with all the online learning that has been taking place. I have included below some sites which will help us remember how to keep safe when online.

- [Thinkyouknow](#) (advice from the National Crime Agency to stay safe online)
- [Internet matters](#) (support for parents and carers to keep their children safe online)
- [Parent info](#) (support for parents and carers to keep their children safe online)
- [LGfL](#) (support for parents and carers to keep their children safe online)
- [Net-aware](#) (support for parents and careers from the NSPCC)

Thank you and stay safe
