2nd July 2020

Dear Parents/Carers,

Last week we sent out a letter regarding an end of year celebration for Year 6. We now have some details which we can share with you. We are aware that this is not quite the same as normal but we feel it is important that all the children come together before they leave Badger Hill.

The event will run from 12:30 – 14:30 with pupils arriving at slightly staggered times. Although the class will be brought together, the children will remain in their current bubbles or groups. All children should arrive at 12:30, following the one-way drop-off system currently in place. Children will then be taken straight to the school field and seated with their bubble. Any children who are not currently attending school will form a new bubble.

All children should bring their own packed lunch. If, however, you would like your child to have school pack up, please inform the school office no later than Monday 13th July. Once all of the children have arrived, we will play games (whilst adhering to social distancing rules), present awards and hopefully reminisce on their time at Badger Hill.

At 2:30pm, parents should once again use the one-way pickup system to collect their child. If you have another child that is already in school, they can be collected at the same time. Again, please give the school office advance notice of this.

Children should **only** bring their packed lunch, a drink and a coat (if necessary). We will also be playing some team games such as cricket and so children should arrive wearing appropriate footwear. Unfortunately the event will be weather dependent and if it rains we will have to cancel.

We will also plan an event for September (or as soon as possible) where hopefully we can celebrate in a more social way!

Best wishes,

Year 6 Team
