PRIMARY SCHOOL

Badger Hill Primary Curriculum Offer

We offer a broad and balanced curriculum for all our children regardless of their starting points. We embrace diversity at Badger Hill and set high aspirations for all children. They set themselves no limits and throughout their curriculum experiences they build a layered set of skills leading to a deep breadth of knowledge across all subjects

Whole School Experience
Badger Hill Primary has curriculum drivers
Independent Thinking
Curiosity
Challenge
Our curriculum drivers help to support all that we do at Badger Hill. They link to all aspects of our curriculum and link together to create life long learners at Badger Hill. At Badger Hill every child matters and through our curriculum drivers we are able to support the learning for all children. Our curriculum drivers also sit alongside our adaptive teaching strategies and our Billy Bob digs deeper document. Each subject within the curriculum is designed to support life long learners and generate children who are ready for their next transition points whether that be within school or the wider community.

Core Experiences delivered through the curriculum
Access to well-planned whole school themes
Quality first teaching through a well-planned skills and knowledge driven curriculum
Regular and timely feedback for all children
Consistent teaching of core skills across school-this includes regular daily routines
Well planned interventions to support the learning of all children
Together we will grow

ABC Value Based Experiences
Each child will experience the following throughout the year at Badger Hill Primary.
An ignite experience at the beginning of each half term. This will ignite learning and act as stimulus for a particular topic.
A wide range of experiences which link to our school community-this may include school visits (linked to the class learning), visitors into school (linked to class learning), whole school events (links to the wider community) and celebrations to widen children's knowledge of the wider world.
Celebrations of events linked to the wider world e.g. Black History, Languages Day and religious events.
Together we will grow
